Who you'll meet

All logos are the property of their respective owners.

Why this event is for you

- At the 2023 event, the average retailer added 8 new vendors
- Connect with 40 to 50 consumer tech vendors within just two days in one convenient location
- Return to in-person interactions and relationship building
- Discover products you may have missed at other shows
- View product presentations in a small group setting
- Open discussions with vendors in one-on-one meetings
- Relax and network during cocktail hours and meals

By invitation only

As an invited tech buyer, there is no cost to attend this event. Your package includes boardroom presentations, pre-scheduled one-on-one meetings, round-trip transportation, hotel nights, meals and more! Up to two buyers per invited company – one per product category.

Stay ahead of the curve

A person in a maroon shirt and jeans is riding a blue and black e-bike. The background is a lush green wall of plants.

E-MOBILITY

A hand is touching a white smart home device on a wooden table. The background is a blurred living room.

SMART HOME

- Multi-Camera Security Systems
- Cameras with Lighting
- Entry Level Security Systems
- Bird Feeder Cams
- Robotic Vacuums

Pre-Scheduled, One-on-One Meetings

Forge meaningful connections and maximize your networking potential with pre-scheduled, one-on-one meetings. Tailored to your preferences and business objectives, these meetings provide a focused environment for in-depth discussions with vendors.

Boardroom Presentations

In these dynamic small group sessions, vendors take center stage to introduce their brands and showcase transformative products. This is your opportunity to explore firsthand the latest offerings from top vendors, evaluate innovative products, and make informed decisions that align with your business goals.

Interactive Product Demos

Immerse yourself in hands-on experiences with interactive product demos. These demos allow you to engage directly with the products, making your exploration of the tech landscape both informative and enjoyable. Don't just see the features – experience them!

The Latest Innovations

Explore the forefront of technology with a showcase of the latest innovations. From groundbreaking gadgets to cutting-edge solutions, witness the future of tech unfold before your eyes. Tech Connect LIVE is your gateway to staying ahead of the curve and discovering what's next in the world of consumer technology.

Here's what you can look forward to!

E-Mobility Sell-Through Seminar

Buyer attendees of Tech Connect LIVE are invited to a seminar featuring an expert panel that will discuss e-mobility sell-through strategies and insights.

As the e-mobility industry gains momentum, it's crucial for businesses to stay well-informed about market trends, consumer preferences, and cutting-edge sales techniques.

Our panel of experts is here to provide you with their indispensable knowledge and industry expertise. They'll share practical advice and insights, ensuring you leave the seminar armed with a toolkit of strategies for success within this trending, high-growth category.

This seminar is best for buyers that purchase the following categories:

- Sporting goods
- Outdoor gear
- Fitness
- Electronics
