

Guaranteed, one-on-one buyer meetings that will increase your business

The Consumer Technology Summit is a business event where vendors meet US/Canadian retailers and distributors in private, pre-scheduled meetings that build relationships with key decision-makers and generate new business.

Format for Success - 100% of your meeting time is dedicated to private, pre-scheduled meetings with category buyers who are seeking new products. Receive immediate feedback on your products, packaging, and programs.

Expanded Channels - Buyers from Regional CE, Mass Merchants, Food & Drug, College Bookstores, Airport and Travel Stores, Fashion Chains, Buying Groups, Mobile Resellers, Apple Resellers, Distribution and more.

Private Meetings - Each vendor has a private meeting suite to meet with buyers and demo products. Engage in four months of meetings and travel all in one place over 3 days.

Efficiently Organized - Shipments are in your room when you arrive. Dedicated staff ensures that meetings are kept on schedule and attendee needs are met.

Registration is open!

The vendor fee includes a private meeting suite, 40+ pre-scheduled meetings, two attendee badges, two sleeping rooms, all meals & entertainment and internet-based planning tools.
